

Free* Field Seats for Penn State Football & raise money for Rotary projects in State College (over \$1,200 in 2007!)

* Of course there is an asterisk; but this is a very good one. In return for helping my Rotary club at the games, we give you a pass to sit on the field (in the South End Zone) during the game and a parking pass. Here's what we do: Show up at Gate E two hours before kick-off. Wear whatever you would wear to a Penn State football game. (No FU Michigan shirts, Pls.) We stand at the gates and tell people with items they can't bring in the stadium not to bring them in. We do not sell anything. We just make the stadium safer. At kick-off we are released and given passes to sit in the South End Zone on the field. It is very cool to be on the playing surface, so close. Cheerleaders, students, it is loud and crazy and wonderful!

There are only ten openings for each game.

Our seats are right down here. This was D.Will breaking through to score last year. Big Time!!

Must help at non-conference game (C.Carolina, Oregon St., Temple) to help at Big Ten game.
